To our customers -

I want to thank you for the opportunity to serve as your bank and make sure you saw the latest news about Union Bankshares Corporation. Today, Union announced it has agreed to acquire Access National Corporation. It is big and exciting news for our company!

Access National is a Northern Virginia commercial bank headquartered in Reston, Virginia, operating under the brands Access National Bank and in some markets, Middleburg Bank. After we combine, Union will have 153 branches and more than 200 ATMs across Virginia and in select locations in North Carolina and Maryland. We offer convenient locations where you live, work and play.

If the two banks were combined today, they would have around \$16.0 billion in assets, \$11.9 billion in deposits and \$11.4 billion in loans based on financial data as of June 30, 2018. This means that Union will be more able to offer you the products, technology and convenience of bigger banks, but with a local bank customer experience.

While Union is expanding our network as Virginia's regional bank, some things will never change – like our commitment to our customers, the communities we serve and a goal of best-in-class customer experience.

It is important to note that the combined company is going to use Union's operating systems, so there should be little to no impact to you. Until Access's systems are merged with Union's, you should continue to use Union's branch and ATM network. The transaction is scheduled to be completed in early 2019 and until then, Union and Access will operate their banks independently of one another. Once the Access National Bank and Middleburg Bank systems are converted to Union's systems, which we expect will be in the second quarter of 2019, their branches will become part of the Union network.

As various milestones are achieved, we'll keep you informed on our website www.bankatunion.com. If you have any questions in the meantime, please feel free to email us at: unionandaccess@bankatunion.com

We look forward to serving your financial needs today and tomorrow. Thank you for banking with Union.
